

4V4 FLOORBALL GAME ASSESSMENT RUBRICS

Offence	Quality criteria to indicate student's level of attainment			
Level 4	Move away from defender and into open space, receive the ball with control and in position to attack the goal	Receive the ball with control when on the move and dribble into open space towards the goal and shoot within range and ability	Create scoring opportunity by passing the ball when marked to a teammate who is in a position to attack the goal	Create space between defender and self, and shoot within range and ability
Level 3	Move away from defender and into open space to create options for teammate to pass, dribble or shoot [L05]	Receive the ball with control, fake to shoot, pass or dribble to create space [L04] <i>*This LO is achieved in the presence of a defender.</i>	Pass the ball when marked to a teammate who is free, move away from defender and into open space to receive the ball [L01]	Dribble into open space towards the goal and shoot when within range and ability [L06 and L07]
Level 2	Move away from defender and into open space to receive the ball	Receive the ball with control and look for open space and teammates before shooting, passing or dribbling [L02]	Pass the ball when marked to a teammate and move into open space	Dribble into open space towards opponent's goal [L03]
Level 1	Move into space to receive the ball	Receive the ball with control	Pass the ball to a teammate who is free	Dribble the ball with control
Indicator	Move	Receive	Pass	Dribble
Capability	Student is able to play a 4V4 Floorball game with appropriate rules			

Defence	Quality criteria to indicate student's level of attainment		
Level 4	Pressure and deny attacker from receiving the ball	Pressure and cause the attacker to lose possession of the ball	Regain possession of the ball after running back from an advance position and pass the ball to teammates to set up an attack
Level 3	Intercept the ball when it is within the defender's reach [L08]	Prevent the attacker with the ball from dribbling towards the goal or passing to another attacker in an advanced position [L09]	Run back from an advance position after losing possession to mark an attacker or cover attacking space [L010]
Level 2	Mark the attacker and prevent the attacker from receiving the ball [L011]	Prevent the attacker with the ball from shooting [L012]	Run back from an advanced position after losing possession to deny space for attacker to invade
Level 1	Follow the off-the-ball attacker	Follow the on-the-ball attacker	Tries to run back from an advance position to defend
Indicator	Mark off-the-ball attacker	Mark on-the-ball attacker	Mark attacker on counter attack
Capability	Student is able to play a 4V4 Floorball game with appropriate rules
