

MODIFIED 4V4 VOLLEYBALL GAME ASSESSMENT RUBRICS

Offence / Defence	Quality criteria to indicate student's level of attainment					
<b>Level 4</b>	Serve the ball low over the net to attempt to win the point or prevent the opponent to set up an attack	Set up a ball that is high and near to the net for effective attack	Hit the ball with speed into open space	Deflect attacker's offensive attempt above the net back into the attacker's court		Move into defensive position facing the opponent's direction of attack to deny opponent scoring 
<b>Level 3</b>	Serve the ball into open space [LO2]  <i>*Student is able to serve the ball over the net into space. This is evident when receiver needs to move to receive the ball. There is no need for student to ace the serve. There is element of accuracy.</i>	Set up for offensive move [LO4]  <i>*Student is able to play the ball high to a teammate to attack.</i>	Hit the ball into open space [LO1]  <i>*Student is able to push the ball using overhead pass, tip or spike the ball away from opponent (who may be able to move and receive).</i>	Block attacker's offensive attempt over the net [LO5]  <i>*Student is able to move to the position and jump to block the ball. He is able to touch the ball and the intention is to weaken the attack.</i>	Defend an opponent's attack and keep the ball in play [LO6]  <i>*Student is able to dig the ball to keep the ball in play.</i>	Move from base position to prevent opponent from scoring [LO7]
<b>Level 2</b>	Serve the ball over the net  <i>*Student is able to serve the ball over the within the boundary.</i>	Pass the ball that comes over the net to a teammate [LO3]  <i>*Student is able to contact the ball such that the ball stays within the court for the next player to play on.</i>	Hit the ball over the net into the opponent's court  <i>*Student is able to push the ball using overhead pass, tip or spike over the net.</i>	Move to the ball to defend the attack (dig or block)  <i>*Student is able to move to the ball to defend the attack. Student may not successfully defend the ball.</i>		Move to base position [LO7]  <i>*The designated space is the area around the player.</i>
<b>Level 1</b>	Send the ball over the net  <i>*Student is able to serve the ball over the net from any position within the volleyball court.</i>	Move into position to contact the ball  <i>*Student is able to move to contact the ball. The ball may or may not be "playable".</i>	Move into position to contact the ball to hit the ball over the net  <i>*Student is able to move to the position where the ball is "set" to contact the ball. Student may not be able to successfully hit the ball over the net.</i>	Contact the attack (dig or block) when the ball is within reach  <i>*Student is able to contact the ball when the ball is within reach. Student may not successfully defend the ball.</i>		Move within personal space to defend  <i>*Student is able to cover the immediate area around.</i>
<b>Indicator</b>	<b>Serve</b>	<b>Set up attack</b>	<b>Attack attempt (Overhead pass, tip or spike)</b>	<b>Defend an attack (Dig or Block)</b>		<b>Space Coverage (Court coverage)</b>
<b>Capability</b>	<b>Student is able to play a modified 4v4 volleyball game with appropriate rules</b>
