

BASKETBALL GAME ASSESSMENT RUBRICS

Student is able to play a 3-ON-3 half court basketball game

Offence

Level 4	Dodge defender and move into open space to receive the ball in a position to attack the basket	Receive the ball when on the move, and shoot in a continuous action when within ability, and follow through to rebound the ball	Create scoring opportunity by passing the ball when guarded to a teammate who is in a position to attack the basket	Dribble past defender towards the basket, shoot in a continuous action when within ability, and follow through to rebound the ball	Create space between defender and self, and shoot when within ability, and follow through to rebound the ball
Level 3	Dodge the defender and move into open space to create options for teammate to shoot, pass or dribble (LO4)	Receive the ball when on the move, and pass the ball in a continuous action to teammate	Pass the ball when guarded to a teammate who is free, dodge defender and move into open space to receive the ball (LO1)	Dribble when there is an open lane towards the basket, shoot in a continuous action when within range and ability, and follow through to rebound the ball (LO6)	Shoot when there is space and within range and ability, and follow through to rebound the ball
Level 2	Dodge defender and move into open space to receive the ball	Receive the ball with a jump or stride stop and pivot to a ready position to shoot, pass or dribble (LO2)	Pass the ball when guarded to a teammate and move into open space	Dribble when there is an open lane towards the basket, shoot in a continuous action when within ability	Shoot when there is space and within ability
Level 1	Move into space to receive the ball	Receive the ball with a jump or stride stop	Pass the ball to a teammate and move	Dribble when there is an open lane towards the basket (LO3)	Shoot when there is space and under/near the basket
Indicator	Move	Receive	Pass	Dribble	Shoot
Capability	Student is able to play a 3-on-3 half court game with appropriate rules				

Defence

Level 4	Pressure and deny the attacker from receiving the ball	Pressure and cause the attacker to lose possession of the ball	Block out attacker, rebound and pass the ball to teammate to set up an attack
Level 3	Intercept the pass when it is within the defender's reach (LO7)	Guard the attacker to prevent the attacker from dribbling and shooting (LO1 and LO11)	Block out attacker and rebound the ball
Level 2	Guard the attacker to prevent the attacker from receiving the ball (LO10)	Guard the attacker to prevent the attacker from dribbling towards the basket (LO9)	Rebound the ball after a shot (LO8)
Level 1	Follow the attacker without the ball	Follow the attacker who has possession of the ball	Follow attacker after a shot
Indicator	Guard off-the-ball attacker	Guard on-the-ball attacker	Rebound
Capability	Student is able to play a 3-on-3 half court game with appropriate rules
